Nuevos códigos para ordenar Apex

Para agilizar el proceso en la compra de Apex ya **no será** necesario ordenar y esperar por el CD de instalación.

Ahora solo necesita **descargar** el programa desde StellarSupport y ordenar el siguiente código en la lista de precios: **8223Z 7005** para recibir un número de comar que le permitirá activar el software en dos ordenadores distintos.

Activación Apex

1. Ordenar el código **8223Z7005** en la lista de precios.
2. Descargar Apex desde StellarSupport:
http://www.deere.es/es_ES/services_and_support/stellarsupport/downloads_updates/downloads_updates.page?#apexpanel
3. Instalar el programa en el ordenador.
4. Ir a StellarSupport, registrar el programa y generar el código de activación.

Activación Apex

- Debido a que ahora usted no cuenta con un número de serie para el CD, utilice lo siguiente como número de serie: **PCAPEX + su nombre**
Ejemplo: **PCAPEXJOHNNY**
- Ahora, ingrese el código de sitio del programa Apex en el campo correspondiente y presione siguiente.

The screenshot shows the StellarSupport Global website interface. At the top left is the John Deere logo. The main header reads "StellarSupport Global". Below the header is a search bar with the text "Buscar". The main content area is titled "Apex Activation" and contains the following text: "Here you can activate Apex and any plug-ins that you have purchased. You can select an existing serial number or add a new one. Enter the site code for the selected serial number and click the 'Next' button to continue". Below this text is a table with three rows: "Apex Serial Number (site Code)", "APEX", and "MOBILE FARM MANAGER". Under the table, there are two radio buttons. The first is selected and labeled "PCAPEXJOHNNY" with the text "add new serial number(from Apex CD Cases)". The second is labeled "1234567-1234567" with the text "Apex site code (Activate Apex screen)*". Below the radio buttons are "Next" and "Cancel" buttons. At the bottom of the page, there is a "Reactivate" button and a footer with the text: "Privacidad y Protección de Datos | Información general | Aviso legal | Contáctenos Copyright © Deere & Company. The screenshot shows the "Apex Activation" dialog box. It has a title bar with a close button. The main content area is titled "Apex Activation" and contains the following information: "Product name: GreenStar Apex", "Product version: 1.0.0.0", and "Vendor: John Deere AMS". To the right of this information is the "APEX Farm Management Software" logo. Below this is the "Activation Info" section, which is divided into three steps: "Step 1: Gather following info", "Step 2: Get activation code from StellarSupport", and "Step 3: Apply activation code". Under "Step 1", there are four fields: "StellarSupport login info", "CD Serial number (located on the Apex installation CD)", "Comar number", and "Site Code". The "Site Code" field is highlighted with a red box and contains the text "XXXXXXXX-XXXXXXX". Below "Step 2" is a link: "Click here to login to www.StellarSupport.com". Under "Step 3", there is a field labeled "Enter activation code:" followed by three empty input boxes. At the bottom of the dialog box are "Activate", "Cancel", and "Help" buttons.
